

Overview of Intellectual Property Data

CNIPA has released key statistics on Intellectual Property from January to May in 2020. The following charts vividly show the overall comparison of IP data from January to May of 2019 and 2020.

The patent chart indicates that there is an overall increase of the filings during the COVID-19 epidemic.

The trademark chart indicates that the number of filings is not affected by the outbreak of COVID-19, which even shows an increase of trademark filings.
